RE-SELECTED SEEDS

For several years I have had many requests for seed. The seed I am now offering is saved from the most vigorous, disease-resistant plants, the largest blooms and clearest colors, viz.,

SHASTA DAISIES — Hand-pollinated; no better seed grown. Sown early it should bloom this year.

Double 50c pkt.; Single 25c pkt.; Mixed 35c pkt.

DELPHINIUM HYBRIDS — Seed offered has been saved from the 25 most beautiful plants in my garden Liberal pkt. \$1.00

Hand-pollinated — (sold out until the latter part of July, 1942)

NEMESIA — Exceptionally colorful for mass effect. Grows approximately 1 ft. tall. Will stand shade during the hottest part of the day Mixed colors 25c pkt.

RE-SELECTED SEEDS (Continued)

- AQUILEGIA — (Long-spurred) — mixed 25c pkt.
RUSSELL LUPIN 25c pkt.
GLADIOLUS — Hand-pollinated; ruffled varieties — 50 seeds \$1.00

GARDEN CHRYSANTHEMUMS
